Our multi day tours have the advantage of combining visits to the most famous archaeological sites of Greece with the unique Greek gastronomy, which provides once in a lifetime experience for all travelers.

You have the opportunity to visit the archaeological site of Acropolis, the temple of Poseidon in Sounio, the ancient theatre of Epidaurus, the tombs of Mycenae, the site of Olympia where the first Olympic Games were held, the pan-Hellenic sanctuary of Delphi, the ageless monasteries of Meteora and many more important sites and beautiful Greek cities.

Regarding the wineries, the choice was made between the most famous qualities and labels of Greek wine and the most interesting wineries to visit. The vineyards and the olive groves, create unforgettable images for its visitors due to the unique colors and landscape.

The gastronomy part is enriched by traditional meals and different tastes, as well as the cooking and baking experience at traditional houses with each hostess wholeheartedly welcoming all guests to the Greek table. Through our travelling pages and social media we have been trying to transmit the experience of Cooking and bakery classes both in the islands of Mykonos and Crete which are recognized as a benchmark in Greek hospitality.

One of the most significant features of Big Blue Travel is our great variety of Classical Tours. These cover almost the entire area of the mainland and include its most important cultural sites like Athens, Argolis (Epidauros - Mycenae), Nafplion, Mystras, Olympia, Delphi, Meteora, Thessaloniki, Vergina, Philippi, Amphipolis, Kavala, as well as the island of Crete.

The quantity of choices is accompanied by the highest quality of services. The visitor is given the opportunity to gain a deep cultural experience and explore areas and landscapes of unparalleled beauty. Be assured that there is no better way to visit the main archaeological and historical sites of Greece than with our Tours.

We offer an authentic view of our country and this is showcased in our Tours of Crete, where besides the classic monuments and sites, the visitors are given the possibility to pass through traditional villages and alternative historical places of interest, outside the boundaries of the "classic" and "tourist" standards.

It is strongly suggested to combine our Classical Tours with other programs like City Breaks, Religious Tours, Island Hopping or our Gastronomy Tours, each providing another unique dimension to your experience of Greece.

In the Footsteps of Apostle Paul

"We walk by faith, not by sight"
Paul the Apostle

Embark on a spiritual journey along the most important sites where the Great Apostle preached the teachings of Jesus Christ. Visit Athens, the cradle of democracy, whose citizens and philosophers were amazed and intrigued by the Apostle and the ancient city of Corinth, a city of great importance during both the Ancient Greek and Roman times. In this rich commercial centre of Antiquity he spent 18 months preaching and converting the local populace.

Walk among the ruins of the ancient city of Mycenae, and marvel at the sight of the Cyclopean Walls, the Lion's Gate, the Royal Tombs and the Treasury of Atreus. This military stronghold from the age of the heroes of the Iliad is one of the most important UNESCO world heritage monuments in Greece and a must-see for all who visit our country.

The famous site of Delphi, the heart of Greek idolatry, paganism and mysticism offers to the traveler a view of a different era before Christianity as do the Macedonian sites of Vergina, Amphipolis and Philippi. There, you will see the place where St. Lydia, the first convert to Christianity in Europe, was baptized.

Last but not least, the monastery of Saint Luke (Hosios Loukas), the city of Thessaloniki and the stunning monasteries on top of the huge rocks of Meteora will offer you the opportunity to witness the religious character of the Byzantine Empire.

Athens City Breaks

The city that never sleeps! This might be a well-known nickname for New York City, but it couldn't be truer for Athens.

There is always something going on in this city that offers to the traveler a look at its whole history, from ancient to modern. A place that satisfies all needs, be it an immersion in its history and culture or in the local lifestyle.

Have a taste of the Greek cuisine at a traditional restaurant in Plaka, have a drink at one of the many bars that seem “hidden” in the narrow streets of the city center or if you're looking for something more romantic, enjoy amazing views at a rooftop bar or on top of Mount Lycabettus.

You can have long walks by the sea in areas such as Flisvos Marina or Alimos Marina and can easily go for a swim in one of the many beaches in Attica. Everything is easily accessible in Athens and you should take full advantage of your stay here.

You can also use a city break in Athens as base for a further exploration of Greece, combining it with one of our many Tours may it be a Classical Tour, a Religious or our Jewels and Waves Tours.
